Principal's Message

Welcome to Bible Hill Consolidated Elementary School, Home of the Bulldogs!

Clear communication is vital for parents, students, and the school community to work together for academic success for all Bible Hill Consolidated students. With this in mind please keep a copy of our communication plan along with the communication plans sent home by individual teachers. This document provides you an overview of how we will stay in contact with you, and you with us. Please feel free to call, write or drop by anytime if you have a concern.

We look forward to working with each one of our students and their families! Please feel free to reach out to school staff should you have any questions!

Assessment and Evaluation

Teachers plan, assess and evaluate student learning against Department of Education and Early Childhood Development expected learning outcomes. Expected learning outcomes are statements describing what students are to know, show and do in each subject/course.

Teachers maintain regular communication with students and parents regarding students' learning, progress and well-being.

Parental/Guardian Concerns

If you have questions regarding student progress (including a review of student assessment results) and /or well-being, we have established guidelines for having your questions addressed at the school level. The following is a list of recommended steps for you to follow to ensure your child's needs are met:

- 1. Talk to your child.
- 2. Contact your child's teacher.
- 3. Contact the school vice-principal or principal.
- 4. If the concern cannot be adequately addressed in steps 1 to 3, the school may arrange a meeting with the parent, teacher(s) and administration.

A process has been put in place to ensure parents/ guardians receive prompt response to questions or concerns that cannot be resolved at the school level. If you feel an issue has not been resolved, the CCRCE Parental Concern Referral Form is available through the main office or on the Parent Concern Process page of the CCRCE website.

School Procedures

Communication with Students/Families

School wide communication is shared through our school website, monthly newsletters, parent email, social media sites, student handbook.

Periodically Bible Hill Consolidated will contact parents with key pieces of information via the School Messenger System. This will phone, text or email parents, depending on their preference selected on the student registration form.

Individual student information is shared through student agenda's, emails, phone calls, meetings, and the PS Student-Parent Portal.

Expectations for Student Success at School

Students are responsible for participating in their learning. Students are encouraged to discuss with their teacher what they have learned and what they have yet to learn. Discussion may also include due dates, negotiate extensions and re-submitting work. The process for incomplete assessments will follow the *EECD Process for Classroom*Assessment Due Dates and Extensions.

Attendance and Reporting a Student Absence

Regular attendance is necessary for students to have success in school. As part of the Education Act, it is the responsibility of both students and parents to ensure that students attend school regularly. Attendance is closely monitored and parents will be contacted if we have concerns with a student's attendance. Steps will then be put in place to address the concerns. We thank you for your cooperation in ensuring your child attends school daily.

We want to see our students succeed and we know that student success is linked to regular attendance in school.

NS EECD Homework Policy.

The purpose of homework is to practice and reinforce what has been taught in school. Students are encouraged to complete homework as assigned. If you have questions or concerns, please reach out to the classroom teacher.

School Cancellation and Early Dismissal

In the event of school cancellation as a result of stormy weather or poor road conditions, make sure to check if school is open and busses are running before you send your children to the bus stop or bring them to school.

The best way to find out closure information is:

- Monitor your local radio or television stations
- Visit the CCRCE website
- Check out CCRCE's Twitter feed and Facebook page.
- Sign up for CCRCE's inclement weather text notifications

School Wide Support for Students

Information about the process of identification, assessment, referral and program planning for students through the Student Planning Team. All teaching staff work collaboratively to provide the necessary support for students by providing opportunities for increased student success.
